

Statement to the Regulation of European Parliament (EP) and European Council (EC) Nr. 1907/2006 and the revised list of applicants ECHA updated on 23th January 2024.

Statement to Mineral Oils (MOSH and MOAH)

Company Balsac papermill s.r.o. issues a statement that within the above mentioned Regulations acts in the supply chain as "the producer of product" which has been sold to the customers as its product. Company Balsac papermill s.r.o. is not a manufacturer nor an importer of chemicals applicable to this Regulation.

In the production we process only materials for which the manufacturer guarantees that these products contain no SVHC substances. Based on our supplier's statements we confirm that our products do not contain any SVHC substances which are present on the ECHA candidate list.

Simultaneously, based on statements of our suppliers we confirm that the mineral oils (MOAH and MOSH) are not intentionally added to the raw materials we use, and we also confirm that these mineral oils (MOSH and MOAH) we do not add during the manufacture of our products.

In addition, for all chemicals which are used in the manufacture of paper we keep up-to-date material safety data sheets.

Company Balsac papermill s.r.o. therefore confirms that respects REACH Regulation.
